

PRINCE CHAUDHARY

FRONT-END DEVELOPER

CAREER OVERVIEW

+91-7668748198

Pc74510@gmail.com

[Github](#)

I am a passionate and detail-oriented **front-end developer** with a strong foundation in web development technologies and a keen interest in crafting engaging user experiences. I recently graduated with a BCA degree. I am skilled in **HTML, CSS, JavaScript, Typescript**, and modern frameworks like **React.js**.

PROJECTS:

• Real-Estate App: [link](#)

Tech: React, Tailwind CSS, Node.js, Framer Motion.

- * A comprehensive platform for buying, selling, and renting properties with advanced search and filter options.

• Food Dev App: [link](#)

Tech: React, Tailwind CSS, Redux Toolkit, Framer Motion.

- * An app to order food from your favourite restaurants with real-time tracking and multiple payment options.
- * State Management: Implements Redux Toolkit for efficient state management, enabling seamless data flow throughout the application.
- * Modern Design: Utilizes Tailwind CSS for modern and responsive design elements.

• Evo-gym Fitness App: [link](#)

Tech: React, Typescript, Tailwind CSS, Redux Toolkit, Framer Motion

- * A comprehensive fitness app offering workout plans, tracking progress, and connecting with personal trainers.
- * Typescript is used in projects to enhance code reliability and maintainability by explicitly defining data types, allowing for better error detection during development

•Portfolio: [link](#)

Tech: React, Tailwind CSS, Redux Toolkit, Framer Motion

- * Description: Built a responsive portfolio website using React, integrating dynamic content and smooth animations with Framer Motion. The website showcases projects and skills, optimized for performance and user experience

SKILLS

HTML, CSS, JAVASCRIPT, TAILWIND CSS, REACT JS, REDUX TOOLKIT, FRAMER MOTION.

EDUCATION

GRAPHIC ERA HILL UNIVERSITY, Dehradun | Bachelor of Computer Application | **July 2021 – Jun 2024**
